

ACES NOTIFICATION

******For County Offices of Education and Districts - June 24, 2003*******

ATTENTION TO: County Office of Education and School Districts.
PA and State employers please disregard this notification.

Due to a recent CalPERS system release, a County School cannot perform Appointment Change transactions (e.g., "Permanent Separation") for an individual school district if the district does not have CalPERS Health coverage. You will receive the error message "Your agency is not authorized to submit transactions for this organization." after the batch is processed.

Individual school districts can continue to do Appointment Change transactions. Until this problem is fixed, County School ACES users need to call the ACES Employer Assistance Center to make the necessary change. You will be advised when the problem is resolved. We apologize for any inconvenience this may cause.

If you have any questions regarding this notification, please contact the CalPERS Employer Contact Center at (888) CalPERS (225-7377). Thank you.
